

Volunteer Job Opportunities

GAP Newsletter Editor: Write a newsletter for those working with elders around the Globe. Global Aging Partners provides information about work being done with elders in other countries, particularly developing countries. Collect and organize information for an electronic newsletter that goes out quarterly to GAP members and is posted on our web-site.

Donations Coordinator: Help collect and keep track of donations for needy elders, primarily in Nicaragua. Help expand the number of hospitals and others donating medical facilities in order to meet necessary, basic health care needs.

Events Coordinator: Work with PSU/Nicaragua program to help raise money for student scholarships for service learning trips to Nicaragua. These students do advocacy, community service projects, water and building projects, provide health clinics and other services to indigent elders in Nicaragua.
